The SDG Watch is compiled by the Philippine Statistics Authority as the official repository of SDG indicators in the Philippines per PSA Board Resolution No. 09 Series of 2017. More statistical information on the Philippine SDGs can be accessed at http://psa.gov.ph/sdg .					

NOTES:

- * 1 if the country satisfies the requirement of the indicator, 0 otherwise
- 1/ Special computation made by the PSA Technical Staff using data from CIRAS, PNP and 2015 based population projection from PSA.
- 2/ According to the 2020 report by United Nations Economic and Social Council (UNECOSOC), the term of the Philippines ended on 31 December 2020. The 2021 report of the UNECOSOC is not yet available and need to be revised following the release of the report.
- 3/ The data refer to the registered live births for the reference year and the 4-year period preceding the reference year (i.e., 2020 data refers to the registered live births from 2016 to 2020).
- 4/ Executive Order No. 2 (EO 2) is the enabling order for FOI. EO 2 operationalizes in the Executive Branch the People's Constitutional right to information. EO 2 also provides the State policies to full public disclosure and transparency in the public service. EO 2 is an important enabling mechanism to promote transparency in the government's administrative process. Through FOI, citizens are empowered to make a formal request to get information held by the government, barring certain sensitive and important data related to the nation's security. FOI complements continuing proactive information disclosure efforts where agencies are duty-bound to publish information in the spirit of openness and transparency.
- 5/ The Philippines Constitution of 1987 (Article XIII, Section 17) created CHR of the Philippines as an independent office with a mandate to promote the protection, respect for and enhancement of human rights. The role and functions of the Commission are set out in Executive Order No. 163 (1987). In accordance with the Paris Principles and GANHRI statute, the CHR of the Philippines is accredited as fully compliant to the Paris Principles.
- 6/ Based on the preliminary 2030 nationally determined numerical targets for the SDGs through the conducted consultation and validation workshops with both government and non-government stakeholders of NEDA, in partnership with PIDS.
